3. PRESENTATION

4. DEPUTATIONS

(a) FILE 149-77 - MISCELLANEOUS SITE PLANS  
FILE 34-77 - POLICY

Mr. J. Baskerville, Director of Real Estate for McDonald's Restaurants, will appear before Council with respect to a recommendation of General Committee adopted by Council on June 27, 1977, which reads as follows:

"That the Commissioner of Engineering, Works and Building and the City Solicitor, meet with McDonald's Restaurants to indicate that the City is not desirous of McDonalds locating at 1730 Lakeshore Road West in Clarkson, unless they can improve the access to their property through co-operation with Imperial Oil."

Mr. Baskerville is appearing before Council to present an alternative solution to this matter.

(b) FILE 25-77 - ZONING GENERAL

Mr. Borcsok of 1721 Dundas St. E., will appear before Council requesting that the lands which are presently zoned industrial, be rezoned residential.

13. UNFINISHED BUSINESS - Attachments UB-2

UB-1 - FILE CDM 504 - WESTWOOD ABBEY

Mr. J. Rogers, on behalf of Westwood Abbey, appeared before Council at its meeting held June 27, 1977, and requested that Building #3 on Darcel Avenue in the City of Mississauga, be released from the condition of "Adult Only". This matter was deferred to this Council meeting. (See attachments I-1 and I-12)

UB-2 - FILE 139-77 - METRIC CONVERSION  
FILE 86-77 - TRAFFIC BY-LAW  
FILE 67-77 - RESOLUTIONS FROM OTHER MUNICIPALITIES

General Committee at its meeting held July 6, 1977, considered a report dated June 23, 1977, from the Commissioner of Engineering, Works and Building, with reference to Conversion of Speed Signs from Imperial to Metric Units together with further material from Metropolitan Toronto. This matter was referred to this Council meeting without a recommendation.

14. BY-LAWS

Verbal motion for required number of readings.

- #371-77 - A By-law to authorize the execution of a Transfer of Easement. (This is a transfer in favour of Whitehall Development Corp. for part of Block E, Plan M-5, which is no longer required by the City. This is as recommended by General Committee on June 29, 1977).

THREE READINGS REQUIRED

- #372-77 - A By-law to execute an Encroachment Agreement between the City and Rivercove Developments Limited. (This is an encroachment agreement for part of lot 254, plan M-119. This is as recommended by General Committee on June 29, 1977).

THREE READINGS REQUIRED

- #373-77 - A By-law to convey certain lands to HER MAJESTY THE QUEEN IN RIGHT OF CANADA. (This by-law conveys that portion of the Fourth Line East closed by By-law 9220, to HER MAJESTY THE QUEEN IN RIGHT OF CANADA as owner of the adjoining lands. Mississauga Ontario

Dear Mr. Julian:

Councillor Frank Bean, now a member of the board of directors of the Peel Region Branch of the Ontario Humane Society, has asked me to report to council on our spaying and neutering program.

At the present time our clinic is closed for renovations and will reopen at the end of July.

Cats were being spayed or neutered prior to being adopted out when the clinic was open. Kittens were spayed or neutered when they reached an appropriate age.

While the clinic is closed we have been giving people a \$10.00 refund if they had their cat spayed or neutered at an outside clinic.

The general committee of council has already been advised by Mr. T.I. Hughes, the Executive Vice-President of the Society, that as soon as the veterinary services department in Mississauga is expanded, consideration will be given to the neutering of dogs before they are offered for sale in exactly the same way as we are doing with cats.

As we pointed out, the recent decision to enlarge the size of the veterinary hospital will bring this development much closer.

Sincerely,  
R.J. Blans,

*R.J. Blans*  
Secretary Manager  
Peel Region Shelter

REGISTRY NO. 6056

DATE JUL 6 1977

FILE NO. T-24118

CLERK'S DEPARTMENT

In consideration of the Town of Mississauga allowing services to be installed in the subject proposed subdivision, prior to registration of the plan, the company (as owner) covenants and agrees as follows:

1. The developer acknowledges that by proceeding with these services in advance of registration of a plan of subdivision, the developer is doing so totally at its own risk.
2. To allow the Town, its employees, servants and agents, to enter the lands at all reasonable times and for all reasonable purposes, including and without limiting the generality of the foregoing, for all necessary inspections, and to correct any drainage problems, and to correct or eliminate any other nuisance, such as dust, garbage and debris, excavations, old buildings, etc., and the cost incurred by the Town in so doing shall be a charge to the owner.
3. To submit a cash deposit as required by the Engineering Agreement (5% for a maximum of \$10,000.00 ).
4. To indemnify the Town, its employees, servants and agents (and the Hydro Commission and Water Commission ), against all actions, causes of actions, suits, claims and demands whatsoever, which may arise either directly or indirectly by reason of the preservicing, and the owner undertaking the construction of the work within the proposed subdivision.

FILE NO.	7-77
CLERK'S DEPARTMENT	

JUN 26 1977

Mrs. Joan J. LeFeuvre,  
Committee Co-ordinator,  
The Corporation of the  
City of Mississauga,  
1 City Centre Drive,  
Mississauga, Ontario,  
L5B 1M2.

Dear Mrs. LeFeuvre:

Thank you for forwarding a copy of your letter of May 10, 1977, to the Guelph City Clerk on electric "Death Race" games. In view of the endorsement by Mississauga of the Guelph City Council resolution, I should first mention that a copy of the original resolution was received by my office and a reply sent to the Guelph City Clerk on June 2, 1977.

Legislation currently administered by the Department of Consumer and Corporate Affairs does not provide for banning products based on their offensiveness to good taste or because of a possible psychological influence on public driving habits or other behaviour. The applicability of federal legislation in that general area, such as that dealing with obscenity, is doubtful in this case. In the longer term, it may be possible to deal with safety hazards inherent in the design, construction or content of some electrical products under the Hazardous Products Act and I am currently giving careful attention to some general recommendations in that area. In these circumstances, however, there does not appear to be a way to meet the immediate problem through legal action at the federal level as suggested by the resolution.

I am advised, on the other hand, that the "Death Race" game has not been certified to comply with Canadian Electrical Code Standards as required by law in all provinces. In Ontario, regulations made under the Power Commission Act (R.S.O. 1970, Chapter 354) provide that:

✓ TO BE RECEIVED.  
COPY HAS BEEN SENT  
TO W. TAYLOR.

... 2

I-9(a)

- 2 -

"(1) No person shall advertise, display or offer for sale or other disposal, or sell or otherwise dispose of any electrical equipment unless it has been approved in accordance with Rule 2-024.

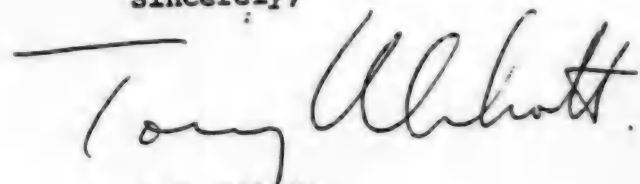

(2) No person shall use any electrical equipment unless it has been approved in accordance with Rule 2-024."

The approval, as mentioned, is based on conformity with Canadian Electrical Code standards and the regulations cited are administered by Ontario Hydro. The Chief Electrical Inspector for Ontario, Mr. Grant Davidson, may be contacted at 700 University Avenue, Toronto. The Canadian Standards Association, which would normally issue the certification of compliance required by Ontario Hydro and other provincial authorities, has its head office at 178 Rexdale Blvd., Rexdale, Ontario.

I should, perhaps, mention also that the United States manufacturer has been subject to considerable direct criticism by consumers and others in that country but has not, to our knowledge, seen fit to respond through voluntary action to date. In fact, it would seem that publicity associated with pressure on the company may be having the opposite effect to that desired.

I trust you will find this information of some assistance in pursuing the Mississauga City Council resolution on the issue. Since you have also written to the Honourable William Davis, Premier of Ontario, I have taken the liberty of forwarding to him a copy of this reply.

Sincerely,

  
A.C. Abbott.

June 23, 1977

Dear Mr. McGillivray -

When I received Mississauga's submission in response to the hearing officers' report on the Parkway Belt West Draft Plan I sought the advice of the law officers of the Ministry of the Attorney General. I have now been advised by them that under the statutes and laws that concern this review process it is not appropriate for me to consider submissions from interested parties in the preparation of my recommendations to Cabinet. For this reason I will not be able to respond to submissions such as those submitted by Mississauga and others.

As you know, provision is made in the legislation for any person to make written representation to the Lieutenant Governor-in-Council, in the 21 day period following the public notice of my recommendation to the Lieutenant Governor-in-Council, should my recommendation be other than that the hearing officers' report be approved.

Yours sincerely,

W. Darcy McKeough

DIRECTION REQUIRED

GENERAL COMMITTEE OF COUNCIL

JUNE 29, 1977

REPORT NO. 25-77

TO: The Mayor and Members of Mississauga Council.

LADIES AND GENTLEMEN:

The General Committee of Council presents its twenty-fifth report and recommends:

867. That Mr. Cathcart's request for approval of an expenditure in excess of \$20,000.00 pursuant to the agreement re the property at 60 Godfrey Lane, be refused.

(04-867-77) 119-76  
111-76

868. That the Minister of Housing be requested to amend Condition #8 of approval for proposed plan of subdivision T-23086, V.M.A. Construction, to read as follows:

"Block C shall be deeded to the Municipality. In this regard, the top-of-bank will be reconstructed in accordance with an approved composite lot grading plan, to co-incide with the existing 300-foot contour line and this shall form the northerly boundary of Block C. In addition a suitable barrier shall be erected along the north-easterly boundary of Block C to prevent the disposition of fill in this area. The barrier shall remain in place until such time as the Credit Valley Conservation Authority has authorized its removal."

(04-868-77) T-23086

869. That further consideration of the City Manager's Report dated June 3, 1977, with reference to the replacement of the Fire Chief and Deputy Chief, be deferred pending a further report from the Acting City Manager regarding this matter.

(04-869-77) 40-77

June 29, 1977

870. That the report dated June 16, 1977, from the City Manager setting out the procedure concerning City Property Acquisitions (Including Easements and Leaseholds) and Negotiations, be adopted.

(04-870-77) 34-77

871. That the letter dated June 6, 1977, from the Region of Peel, with reference to the extension of Golden Orchard Drive, be received.

(04-871-77) T-23801  
18-77  
120-77

872. That the transfer in favour of Whitehall Development Corporation Limited of part of Block E, on Plan M-5 (Part 1 on Plan 43R-497), be executed by the Mayor and the Clerk.

(04-872-77) 84-77  
M-5

873. That the City of Mississauga endorse the continuation of the Credit Valley Conservation Authority Promotional Programme on scenic routes through the City.

(04-873-77) 7-77  
54-77

874. That the Encroachment Agreement dated April 6, 1977, between the City and Rivercove Developments Limited, be executed by the Mayor and the Clerk. (Lot 254, Plan M-119)

(04-874-77) M-119

June 29, 1977

875. That the deed whereby the City conveys that portion of the Fourth Line East closed by By-law 9220, to Her Majesty The Queen in Right of Canada as owner of the adjoining lands, be executed by the City.  
(04-875-77) 42-76
876. That the proposed amendment to By-law 115-77, updating the list of officials appointed pursuant to the Building Code Act 1974, be enacted.  
(04-876-77) 4-77
877. That the sum of \$7,125.00 be accepted as the cash payment in lieu of the 5% land dedication in connection with rezoning application OZ/41/72, Harmonious Holdings Limited, located at the south-east intersection of Hurontario Street and Sherobee Road, zoned RCL2D5.  
(04-877-77) OZ/41/72
878. That the Offer to Sell dated June 22, 1977, signed by the owner of the property known municipally as 3119 Winston Churchill Boulevard (Sandluck Property), covering a strip of land 27 feet by 117.3 feet more or less for road widening purposes, be accepted and executed by the City.  
(04-878-77) PN 76-086
879. That the Property Agent be authorized to arrange for the closing of part of Stavebank Road being a parcel 718 sq. ft. more or less, immediately adjoining Block I on proposed Plan T-22441, and arrange for its conveyance to the adjoining owner for the sum of \$2,470.00, plus payment by the owner to the City of all expenses involved in preparing the road closing by-law.  
(04-879-77) 42-77  
T-22441

June 29, 1977

880. That the Agreement with the Ministry of the Environment and Option for Easements dated June 4, 1977, in the amount of \$62,620.00, be accepted and executed by the City. (South Peel Waterworks - 60" Herridge Watermain - Clarkson Road)

(04-880-77) 93-77

881. That the Commissioner of Engineering, Works and Building be authorized to erect "No Parking Anytime" signs on both sides of Aerowood Drive, from Dixie Road to Ambler Drive.

(04-881-77) 86-77

882. (a) That the Region of Peel be advised of the desire of the City of Mississauga that the extension of The Queensway from Cawthra Road to Hurontario Street, and the widening of four lanes of The Queensway from Confederation Parkway to Mavis Road, be completed concurrently.
- (b) That the Peel Regional Police be requested to institute radar surveillance on Premium Way and Stavebank Road.
- (c) That the Engineering Department be requested to continue to monitor traffic conditions on Premium Way, Stavebank Road, Mavis Road and The Queensway.
- (d) That three-way stops be installed at:-(i) Stavebank Road at Isabella Avenue, (ii) Premium Way at Dickson Road, and (iii) Premium Way at Lynchmere Avenue, and that monitoring of the intersection of Lynchmere and Premium Way be on-going to ensure that a hazardous condition is not created during the winter months.

(04-882-77) 86-77  
35-77  
102-77

June 29, 1977

883. That the Commissioner of Engineering, Works and Building be authorized to proceed with the necessary steps to have Hammond Road closed off from Dundas Street on the south side, including certain minimal reconstruction works at this location and that monies be made available from the appropriate fund.

(04-883-77) 42-77  
18-77

884. That Markborough Properties be requested to proceed with the construction of the pedestrian grade separation, thereby completing the pedestrian/bicycle path system within this Meadowvale Community; this pedestrian grade separation would be constructed entirely at the cost of Markborough Properties Ltd., the requirement for same being referred to in the Engineering Agreement for Plans M-50 and M-51

(04-884-77) M-50-51  
179-77

885. (a) That trucks be prohibited between the hours of 7:00 p.m. and 7:00 a.m. daily, and all day Sunday on Kirwin Avenue from Dundas to Hurontario Street.  
(b) That the by-law to implement this change, be enacted.

(04-885-77) 86-77

886. That the Building Report for the month ending May 31, 1977, be received.

(04-886-77) 159-77

June 29, 1977

887. That upon approval by the Legal Department of the engineering agreement and the transfer of lands and easements, Ballyclare Drive Proposed Plan of Subdivision T-24622, and upon fulfilment of the outstanding items listed in the memorandum to the City Clerk dated June 17, 1977, the Mayor and the Clerk be authorized to execute the engineering agreements and the transfers of land and easements.

(04-887-77) T-24622

888. That a three-way stop be implemented at the intersection of Darcel Avenue and Etude Drive and that the by-law to implement this be enacted by Council.

(04-888-77) 86-77

889. That the necessary easement documents be executed by the City of Mississauga granting the Regional Municipality of Peel easements over part 1 and 2, Plan 43R-4040, and parts 4 and 5, Plan 43R-4522, these being the areas requested by the Water and Waste Division of the Regional Public Works Department.

(04-889-77) 56-77  
35-77

890. That stopping be prohibited on the north side of Queen Street between Ann Street and Elizabeth Street, between the hours of 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 8:00 p.m., to resolve the problem of parked vehicles disrupting the transit service along this roadway.

(04-890-77) 86-77  
112-77

June 29, 1977

891. (a) That the City engage a Traffic Consultant immediately to prepare a report on the following:
- (i) the Ministry of Transportation and Communication's proposals for Highway 403 and Highway 10, including the Robert Speck Boulevard intersection.
  - (ii) the proposal to grade separate Robert Speck Boulevard and Highway 10. If this proposal is felt to have merit, then a functional design plan should be prepared for same to determine property requirements.
  - (iii) if another solution to the problem is ascertained, then a functional design be prepared for same.
  - (iv) this study should be completed within 60 days of the date of commencement thereof; and a Technical Committee should be set up to guide the study, consisting of representatives of the Planning and Engineering Departments of the City; the Planning and Engineering Departments of the Region, the Ministry of Transportation and Communications, S.B. McLaughlin and Assoc., and Liverton Investments Limited.
- (b) That the conditions of approval for the proposed rezoning and subdividing of the Liverton Lands, include specific reference to the possible land and financial requirements that may be made of Liverton in connection with the findings of the proposed traffic study.

(04-891-77) T-22274  
22-77  
115-77

892. That the Report dated June 23, 1977, from the Commissioner of Engineering, Works and Building, with reference to Shady Lawn Court Erosion Control, be referred to the July 13, 1977, General Committee meeting in order that the affected residents may attend.

(04-892-77) 54-77

June 29, 1977

893. (a) That the list of applicants attached to the report dated June 23, 1977, from the Commissioner of Engineering, Works and Building, be approved for further processing.
- (b) That the Building Division of the Engineering, Works and Building Department be authorized to process applications for grants and/loans not to exceed \$7,500.00 each with the actual amount of grant or loan to be determined by inspection of the property under the Standards of Maintenance and Occupancy By-law 611-74, and pursuant to the Housing Development Act, Regulation 688/74.
- (c) That the officials of the City of Mississauga involved in this project be authorized to take all action which is necessary to process these loan applications.
- (d) That the Mayor and the City Clerk be authorized to execute on behalf of the City of Mississauga any documents required in connection with the Ontario Home Renewal Program.

(04-893-77) 161-77

894. That the report dated June 14, 1977, from the Commissioner of Recreation and Parks, with reference to building and developing a Conservatory and Public Gardens in the City of Mississauga, be referred to the Recreation and Parks Committee for consideration.

(04-894-77) 10-77

895. (a) That a study for the extension of the proposed Etobicoke Creek Linear Park to the boundary of the City of Brampton is desirable and should be carried out in light of the information received from Transport Canada. (Officials of Transport Canada to be involved in the Study);

June 29, 1977

- (b) That a study team composed of City officials, Metropolitan Toronto and Region Conservation Authority and Transport Canada, be established to establish terms of reference for the study in 1977;
- (c) That a sum of \$5,000.00 be set aside in the 1978 budget for the purposes of retaining a consultant to examine on behalf of the City, the environmental constraints, potential other recreation uses and path feasibility within the study area.

(04-895-77) 60-77  
10-77  
33-77

896. (a) That the recommendations contained in the report entitled, "Etobicoke Creek Linear Park Plan" be endorsed and the Metropolitan Toronto and Region Conservation Authority, the Borough of Etobicoke, and Metropolitan Toronto, be so advised.
- (b) That as lands and funding become available, each municipality implement the proposed linear park plan.

(04-896-77) 60-77  
10-77

897. That the report and master plan referred to in the report of the Commissioner of Recreation and Parks, dated June 14, 1977, be used as a guideline for future development of Richard Jones Park.

(04-897-77) 10-77

898. That the pollywog and prebeginner swimming classes at Lewis Bradley, David Ramsay and Applewood Heights Swimming Pools, be supplemented through the use of additional personnel in the form of fully qualified volunteer instructors.

(04-898-77) 17-77

June 29, 1977

899. That the school crossing guard at the intersection of Queen Street and Tannery Street be removed at the end of the current school year.

(19-49-77) 179-77

900. That the school crossing guard at the intersection of Beverley Street and Airport Road remain as warrants are met at this location.

(19-50-77) 179-77

901. That the school crossing guard at the intersection of Erindale Station Road and McBride Avenue remain as warrants are met at this location.

(19-51-77) 179-77

902. That the school crossing guard at the intersection of Bloor Street and Fieldgate Drive remain as warrants are met at this location.

(19-52-77) 179-77

903. That the school crossing guard at the intersection of Havenwood Drive and Bloor Street remain as warrants are met at this location.

(19-53-77) 179-77

904. That the school crossing guard at the intersection of Cawthra Road and Lakeshore Road remain as warrants are met at this location.

(19-54-77) 179-77

June 29, 1977

905. That the school crossing guard at the intersection of Lakeshore Road and East Avenue remain as warrants are met at this location.

(19-55-77) 179-77

906. That one school crossing guard be retained at the intersection of #5 Highway and Camilla Road (Kirwin Avenue South side) and that this intersection be reviewed in September of 1977 to determine whether adequate protection is provided to school children at this intersection.

(19-56-77) 179-77

907. That the following recommendation made by the Traffic Safety Council at its meeting on June 15, 1977, be referred to the Engineering Department for a report:

"That the Police Department be requested to observe the fence located at 200 South Service Road to determine whether it creates a hazard for motorists and pedestrians, in conjunction with the Site Inspection Committee, and report back to the Traffic Safety Council at its next meeting."

(19-57-77) 179-77

908. That the Engineering Department be requested to investigate the possibility of creating marked and signed cross walks on Clarkson Road South at Valentine Crescent and at Missenden Crescent as requested in a letter dated April 22, 1977, from the Clarkson Road South Ratepayers Association.

(04-908-77) 179-77

June 29, 1977

909. That Mr. J. Geisler be thanked for his interesting presentation, with respect to the proposed declaration for the New Peel Developments Limited condominium application located at the intersection of Lakeshore Road and Southdown Road in Ward 2, and that further consideration of this matter be deferred until the next meeting of the Condominium Development Committee, in order that the Clerk's and Legal Departments may prepare their comments on Mr. Geisler's presentation.

(09-31-77) 181-77  
CDM 77-035

910. That the Insurance Trust Agreement submitted by Mr. L. J. Pollack of Spencer, Romberg on behalf of Madera Homes Limited for their proposed condominium located on Hansen Road in Ward 4 be approved, subject to the applicant providing the Condominium Development Committee with a copy of Schedule 'A' of this Agreement.

(09-32-77) 181-77

911. That the letter dated May 13th, 1977 from Mr. S. Goodman of Pivnick, Morrow & Goodman, with respect to the Village Hill Homes (Ontario) Limited condominium documents for their application located on Glen Erin Drive in Ward 4, be approved.

(09-33-77) 181-77

912. That the letter dated May 17th, 1977 from Mr. D. A. Blenkarn, Q.C. of Blenkarn, Roche, Kerr & Shadlock, with respect to the Sanrose Construction (Dixie) Limited condominium documents for their application located on Dixie Road in Ward 7, be approved.

(09-34-77) 181-77

June 29, 1977

913. That the report dated June 9th, 1977 from Mr. J. D. Murray, Secretary Condominium Development Committee, with respect to procedures for approving condominium documents, be deferred until the next meeting of the Condominium Development Committee.

(09-35-77) 181-77

914. (a) That the Commissioner of Recreation and Parks be requested to prepare a comprehensive report for presentation to the Recreation and Parks Committee at a special meeting to be held on Monday July 11, 1977 at 7:30 p.m. outlining the feasibility and budget implications of establishing a two-man team of uniform Parks Personnel, sworn in as Peace Officers or special Constables to work closely with the Peel Regional Police and the By-law enforcement section of the City of Mississauga to patrol City parks.
- (b) That Mr. K. A. Cowan, Director of Building Standards, be requested to prepare a report for consideration by the Recreation and Parks Committee at its next meeting to be held on Monday July 11, 1977 at 7:30 p.m. regarding the feasibility and financial implications of establishing a two-man team of uniform By-law Enforcement Officers, sworn in as Peace Officers or special Constables to work closely with the Peel Regional Police to patrol City Parks.
- (c) That the Peel Regional Police be requested to prepare a report for consideration by the Recreation and Parks Committee at its next meeting to be held on Monday July 11, 1977 at 7:30 p.m. with regard to the possibility of establishing a special Parks Detail of at least two Police Officers to work closely on the Parks Department problems and reporting through the normal Police Department channels.

(08-57-77) 10-77

June 29, 1977

915. That the report from Mr. E. M. Halliday, Commissioner of Recreation and Parks, dated May 18, 1977, recommending that Messrs. Johnson, Sustronk and Weinstein be retained to continue work on the remaining stages of the Erindale Park be deferred and further that the Commissioner of Recreation and Parks prepare a report for consideration of the Recreation and Parks Committee regarding the financial implications of each stage.
- (08-58-77) 10-77
916. That any six members of the Recreation and Parks Committee shall constitute a quorum.
- (08-59-77) 182-77
917. (a) That a request of the Mississauga Fire Fighters' Association to use the Lakeview Golf Club for their Annual Golf Tournament, be regretfully declined.
- (b) That the policy of no tournaments at the Lakeview Golf Club be upheld.
- (08-60-77) 10-77  
17-77
918. That the Recreation and Parks Department adopt a deposit system to be applied to rentals of Community Centre Auditoria and meeting rooms at a rate of 25% of the rental fee payable at the time the contract is issued for the facility subject to a refund, provided that a minimum of 60 days notice of cancellation is given and that the space can be rented for an alternative use, and further, that affiliates and other similar groups be excepted from this provision.

(08-61-77) 17-77

June 29, 1977

919. That the report dated May 17, 1977, from Mr. E. M. Halliday, Commissioner of Recreation and Parks, with regard to the provision of skate board facilities in City parks, be deferred in order that the Commissioner can investigate the possibility of tendering for the construction of the facility.

(08-62-77) 10-77  
17-77

920. That Professor A. Adamson make arrangements with the Community Planners Association or the Architectural Conservation Committee to sponsor a meeting with the City's Planning Staff and the residents of the Village of Meadowvale, to consider proposals for the Meadowvale Secondary Plan and for further consideration of the designation of the Village of Meadowvale as an historical conservation district.

(21-15-77) 178-77

921. (a) That the National Sewer Pipe Company be thanked for their offer of the building known as "The Anchorage".
- (b) That "The Anchorage" be relocated and restored on lands to be donated by the Gulf Oil Company, next to the Bradley House location.
- (c) That the financing of this work be arranged in part by the recognition of the Gulf Oil Company's contribution in land, in part by the raising of funds from private individuals, from industries and from service clubs.
- (d) That in pursuit of these aims Phase 1 (Section C) described in the letter dated May 27, 1977 from Professor A. Adamson and based on the estimates of Mr. D. Peacock, Architect and Mr. R. Ryan, Contractor, be instituted in 1977 and that completion of the restoration of "The Anchorage" be the ultimate goal.
- (e) That Councillor M. Spence attempt to initiate the above actions.

(21-16-77) 178-77

June 29, 1977

922. That Councillor F. Leavers advise the Credit Valley Conservation Authority that the City of Mississauga Local Architectural Conservation Advisory Committee wishes to have some input concerning the future uses of the Adamson House.

(21-17-77) 178-77

923. That the site plan for Part of Lot 9, Conc. 1 NDS, Cedar Heights Construction Limited, under File By-law 661-76 and By-law 242-77, be approved, subject to the requirement that no building permit shall be issued for Blocks F and G (units 33 to 48 inclusive) prior to the construction of Riley Court cul-de-sac.

(07-9-77) B/L 661-76  
B/L 242-77

924. That the information concerning the applications received by the Planning Department during May 1977, be received.

(07-9-77) 12-77

925. That the information concerning CMHC housing statistics for the months of January and February 1977, be received.

(07-9-77) 12-77

926. That the information concerning the number of building permits issued by type of dwelling unit to the end of April 1977, be received.

(07-9-77) 4-77

June 29, 1977

927. That the Planning Staff Report dated May 3, 1977, recommending approval of the rezoning application under File OZ/28/76, Alaska Holdings Limited, subject to certain conditions, be adopted; and further, that the City Solicitor and the Property Agent investigate the feasibility of deeding to the adjacent property owners the 15-foot wide, City-owned right-of-way between the subject site and Joymar Drive and retaining the necessary easement rights required by the City.
- (07-9-77) OZ/28/76
928. That a public meeting be held for the rezoning application under File OZ/84/72, Torhampton Developments Limited and Upper Dale Developments Limited.
- (07-9-77) OZ/84/72
929. That the Planning Staff Report dated June 7, 1977, recommending approval of the rezoning application under File OZ/10/77, Gulf Oil Canada Limited, subject to certain conditions, be adopted; and further, that Council hold a public meeting on this application when the implementing zoning by-law is to be considered by Council.
- (07-9-77) OZ/10/77
930. That a public meeting be held for the rezoning application under File OZ/11/77, Gulf Oil Canada Limited.
- (07-9-77) OZ/11/77
931. (a) That the Planning Staff Report dated June 7, 1977, recommending approval of the rezoning application under File OZ/14/77, Mercury Marine Limited, subject to certain conditions, be adopted.

June 29, 1977

- (b) That the M1 and M2 zoning categories be amended to permit bowling, tennis, squash, fitness and arena facilities, whether fraternal or operated for profit, subject to certain development standards.
- (c) That Council hold a public meeting on this application when the implementing zoning by-law is to be considered by Council.

(07-9-77) 02/14/77

932. That a public meeting be held to explain the land use proposals for the north-west quadrant of the Streetsville Community on the evening of Wednesday, June 29, 1977, at Streetsville Secondary School.

(07-9-77) 12-77

GENERAL COMMITTEE OF COUNCIL

JULY 6, 1977

REPORT NO. 26-77

TO: The Mayor and Members of Mississauga Council.

LADIES AND GENTLEMEN:

The General Committee of Council presents its twenty-sixth report and recommends:

933. That the presentation made by Mr. David Finch of United Lands Corporation Ltd., which presentation is set out in a brief dated July 6, 1977, regarding the major arterial road levy and park land dedication for Land Division Applications B 42/77-M and B 46/77-M, be referred to Staff for a report to be considered by the General Committee on August 3, 1977.

(04-933-77) 66-77

934. That Victoria Wood be permitted to proceed with the sixth building of the San Tropez project located on the north side of Dundas Street, west of Constitution Boulevard, based on 1.44 parking spaces per unit.

(04-934-77) 149-77  
35-77

935. That the report dated June 23, 1977, from the Property Agent regarding Talka Subdivision and J. H. Lowe Property (Old Poplar Row Extension) be received, and that Council execute the Agreement of Purchase and Sale between the City of Mississauga and John Henry Lowe covering the property known municipally as 1427 Lakeshore Road West.

(04-935-77) T-22847

July 6, 1977

936. That the Offer to Sell from the Royal Bank of Canada, 1437 Dundas Street East, covering part of Lot 5, Conc. 1 N.D.S. for road purposes (Dundas Street Widening), be accepted and executed by the City.

(04-936-77) PN 75-077

937. (a) That the Nudale Developments Limited payment towards the reconstruction of Second Line East not be in excess of the \$2,300.00 per gross acre levy.  
(b) That the funds necessary to make up the difference in cost of the Capital Works Project, be obtained from the Development Levy Fund.

(04-937-77) T-24815

938. That upon approval by the Legal Department of the Engineering Agreement and the Transfers of land and easements, Kings Cove Subdivision, T-24361, located between Isabella Avenue and Queensway, and upon fulfilment of the outstanding items listed in the memorandum to the City Clerk dated June 28, 1977, the Mayor and the Clerk be authorized to execute the Engineering Agreements and the transfers of land and easements.

(04-938-77) T-24361

939. That the difference between the original allocation of \$1,686,000.00 for the reconstruction of Eglinton Avenue (Tomken to Etobicoke Creek) and the revised estimate of \$900,000.00, being an amount of \$786,000.00, be reallocated to the Unallocated portion of the Major Arterial Road Fund.

(04-939-77) 120-77  
33-77  
PN 75-143

July 6, 1977

940. (a) That the City indicate to the Town of Oakville that the City of Mississauga is prepared to contribute to the City's portion of the reconstruction in the estimated amount of \$10,490.00, being the cost of the intersection improvements on Highway 2 at Winston Churchill Boulevard, provided that the Ministry of Transportation and Communications agrees to subsidize the City's portion of the cost and the Ministry of Transportation and Communications and the Town of Oakville be so informed.
- (b) That the City's portion of the funds for the reconstruction of Highway 2 at Winston Churchill Boulevard be reallocated from surplus funds available from the Eglinton Avenue Capital Works Project PN 75-143, upon agreement from the Ministry of Transportation and Communications to subsidize the works.

(04-940-77) 24-77  
116-77  
PN 75-143

941. (a) That McCormick, Rankin and Associates, who performed the Functional Study, be engaged as Consulting Engineers to prepare detail drawings and tender documents for the construction of Burnhamthorpe Road, from Erindale Station Road through to Mississauga Road, including crossings at the Credit River and the Mullett Creek.
- (b) That funds in the amount of \$300,000.00 be provided from the unallocated portion of the Major Arterial Road Fund due to a reallocation of funds from the reconstruction of Eglinton Avenue.
- (c) That Council approve the addition of the Burnhamthorpe Road Bridge and associated roadwork in the 1978 Capital Budget.
- (d) That negotiations be commenced with the Ministry of Transportation and Communications; Cadillac Fairview Corporation, and the City of Mississauga, in order that the amount of the City's participation and the financing of this project, can be established and approved by Council prior to the 1978 Capital Budget preparation.

(04-941-77) PN 77-055  
PN 75-143

July 6, 1977

942. That the draft by-law amending Traffic By-law 234-75, as amended, be approved and that the agreement forms accompanying this by-law revision, be executed by the Mayor and the Clerk. (2605 Woodchester Drive, 7406 Darcel Avenue, 2095 Roche Court and 6679 Shelter Bay Road.)

(04-942-77) 86-77

943. That approval be given to the Portuguese Chaplaincy and Commissioner of Religious Feasts to hold two processions:
- (a) one on Saturday, July 23, 1977, using Main Street and Church Street, Streetsville, and
  - (b) the other on Sunday, July 24, 1977, using Church Street, Elgin Street, Queen Street, Thomas Street, Victoria Street and Princess Street, subject to the Region of Peel approving the use of Queen Street.

(04-943-77) 7-77

944. (a) That the report from the Commissioner of Engineering, Works and Building dated June 23, 1977, with reference to Metric Conversion of Speed Limits, be received.
- (b) That "metric advisory" speed signs be erected on a number of arterial roads in the City during July.

(04-944-77) 139-77  
86-77

945. (a) That the report dated June 27, 1977, from the Commissioner of Engineering, Works and Building, and the proposed Fence By-law, be deferred.
- (b) That Councillors Bean, Taylor and Leavers be appointed as a Committee to consider the proposed Fence By-law and that this Committee report back to the General Committee.

(04-945-77) 4-77

July 6, 1977

946. That the report dated June 27, 1977, from the Director of Building Standards, and the letter dated June 20, 1977, from the Ontario Humane Society, with reference to Humane Animal Traps and fee rental for same, be received.

(04-946-77) 146-77

947. That the letter dated June 21, 1977, from the Ontario Humane Society regarding the spay-neutering of dogs before they are put up for sale, be received.

(04-947-77) 104-77

948. (a) That the size, location and height of the signs proposed for Westpoint Ford located at the south-west corner of Eglinton Avenue and Burgoyne Street, be approved as recommended by the Commissioner of Planning in his report dated July 4, 1977, with the exception of the Ford Corporate sign which will be exempted from the 12 foot height limitation.
- (b) That the exemption referred to in part (a) above, be for a period of three years and that Westpoint Ford enter into an agreement with the City of Mississauga stating that the sign will conform after the three year period, to the then existing Sign By-law.

(04-948-77) 4-77

949. That the City of Mississauga not object to the Town of Oakville Restricted Area By-law 1977-39.

(04-949-77) 116-77

July 6, 1977

950. (a) That the Recreation and Parks Department be authorized to establish temporary working greenhouses on the Mavis Road Operations Centre site.
- (b) That funding in the amount of \$25,000.00 be drawn from the reserve account set aside for this purpose.

(04-950-77) 10-77

951. That the report requested from the City Manager on the concerns expressed in the letter of May 16, 1977, from Local 1212, Fire Fighter's Association, be deferred and referred to the new City Manager when appointed.

(04-951-77) 41-77A

952. (a) That further consideration of the Job Evaluation Study, Phase II, be deferred until such time as a new City Manager is appointed.
- (b) That the Finance and Treasury Departments be included in the report.
- (c) That the City Manager, when appointed, be advised that this matter is number one priority.

(04-952-77) 40-77

953. That a public meeting be held for the rezoning application under File OZ/44/75, Leal Investments Limited, lands located east side of Constitution Boulevard, north of Dundas Street.

(07-10-77) OZ/44/75

954. That a public meeting be held for the rezoning application under File OZ/17/77, Kaneff Projects, lands located east side of Hurontario Street, south of Burnhamthorpe Road.

(07-10-77) OZ/17/77

July 6, 1977

955. That the Conditions of Draft Approval dated June 21, 1977, and the Consolidated Report dated June 16, 1977, for proposed plan of subdivision T-76029, Alaska Holdings Limited, be approved.

(07-10-77) T-76029

956. That the information concerning the number of building permits issued by type of dwelling unit to the end of May 1977, be received.

(07-10-77) 4-77

957. That the report on the Streetsville Community - North-West Quadrant, be received.

(07-10-77) 12-77

958. That a public meeting on the Port Credit Secondary Plan be held in September 1977.

(07-10-77) 12-77

959. (a) That the report on Proposed Amendments to the Official Plan for North-North Dixie Community be referred back to the Planning Department for further consideration, and that the Planning Department report back to the Planning Committee on the comments and various issues raised at the public meeting.

- (b) That the Recreation and Parks Department, in conjunction with the School Boards, report on possible problems that could occur concerning the closing of school sites and the possibility of using one of the Governmental sites designated for some type of mini-school community centre to compensate for school facilities that may be lost; and further, that the Recreation and Parks Department, in conjunction with the School Boards,

July 6, 1977

ITEM 959 CONTINUED

investigate the possibility of moving the school site west of Hickory, south of Rathburn, farther north and having some of the people from the lower part of the North-North Dixie Community come across Burnhamthorpe Road to fill in some of the schools and prevent closure of these schools.

- (c) That another public meeting be held when this matter is again considered by the Planning Committee. (August 2, 1977)

(07-10-77) Amendment 225

## MEMORANDUM

Our file : 11 211 0009.

4B-2

Mayor and Members of General Committee

From W. P. Taylor, P. Eng., Commissioner,

Dept.

Dept. Engineering, Works & Building Dept.

REQUEST NO. 164/77

June 23, 1977

- SUBJECT** : Conversion of Speed Signs from Imperial to Metric Units.
- SOURCE** : Council of the City of Toronto.
- COMMENTS** : On June 6, 1977, Council of the City of Toronto adopted the attached recommendations requesting that the Provincial conversion of all 30 m.p.h. speed signs to metric be 45 K.P.H. (or 27.9 m.p.h.) rather than to the 50 K.P.H. (or 31.1 m.p.h.) proposed by the M.T.C.

As outlined, the Honourable James Snow's reply, the conversion from Imperial to metric will be in 10 K.P.H. increments for uniformity and to simplify the driving task and education programme.

The following list presents existing posted imperial speeds, their conversion to the proposed national kilometer per hour speeds and the reconversion of these proposed metric speed limits to the actual imperial equivalent.

PRESENT IMPERIAL SPEED LIMITS M.P.H.		PROPOSED METRIC NATIONAL SPEEDS K.P.H.		ACTUAL CONVERTED IMPERIAL TO METRIC SPE M.P.H.
* 5	...	10	...	6.2
*10	...	20	...	12.4
15	...	20	...	12.4
20	...	30	...	18.6
25	...	40	...	24.9
*30	...	50	...	31.1
*35	...	60	...	37.3
40	...	60	...	37.3
45	...	70	...	43.5
50	...	80	...	49.7
*55	...	90	...	55.9
*60	...	100	...	62.1

It is evident in the reconversion of the proposed metric speeds to imperial equivalents that in six instances being 5, 10, 30, 35, 55 and 60 m.p.h. the presently posted speeds will be increased slightly while in all other instances, actual speeds will decrease (refer to asterisks)

CLERK'S DEPARTMENT

UB-2(a)

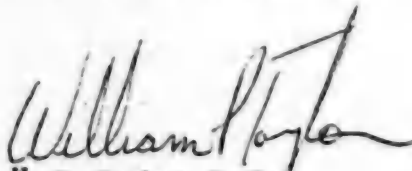

Page 2.....

To : Mayor and Members of General Committee  
June 23, 1977

COMMENTS (cont.) : If the City of Toronto's proposed conversion of the 30 m.p.h. speed limit to 45 k.p.h. is to be accepted, then the other imperial speeds should logically also be converted in 5 k.p.h. increments.

In view of the Minister's concerns in implementing the metric speed limit conversion programme in September of 1977, the Engineering Department endorse the national policy for metric speed limit conversion in 10 k.p.h. increments.

RECOMMENDATION : That no action be taken on the City of Toronto's proposal to alter the present 30 m.p.h. imperial speed limit from the national policy of 50 k.p.h. to 45 k.p.h. and the Clerk of the City of Toronto be so informed.

W. P. Taylor, P. Eng.,  
Commissioner,  
Engineering, Works & Building Dept.

CITY OF TORONTO  
DEPARTMENT OF THE  
CITY CLERK

UB-2(b)  
RECOMMENDATION EMBODIED IN REPORT NO. 15 OF THE COMMITTEE  
ON PUBLIC WORKS WHICH WAS ADOPTED BY CITY COUNCIL AT ITS  
MEETING HELD ON JUNE 6, 1977.

21  
CONVERSION OF SPEED SIGNING FROM  
IMPERIAL TO METRIC UNITS

Your Committee submits the communication (May 10, 1977)  
from the Honourable James Snow, Minister of Transportation  
and Communications, viz.:

I have for reply your recent letter concerning the conversion of  
speed signing from Imperial to Metric units.

The cost of the necessary changes is eligible for subsidy in the  
normal manner at the rate of 50 percent. Since the subsidy funds  
available to my Ministry are limited and every attempt is made to  
allocate funds equitably, there appeared to be no advantage in  
setting up a separate program to provide for the cost of metric  
conversion. Such a program would have identified the funds  
allocated for metric conversion but this would not have resulted  
in an increase in the total funds available. It was felt that the  
factors which are considered in making the allocations fairly  
reflect the cost of conversion in the various municipalities.

I am not in a position to address the question of subsidy for this  
purpose by the Federal Government and would suggest that you  
direct advice of Council's resolution to the appropriate Federal  
body.

Council's request to change the general speed limit in urban areas  
from 30 mph to 45 km/h does not conform to the national policy  
on metric conversion where it has been decided to convert on the  
basis of 10 km/h increments. The recommended conversion to  
50 km/h is close to the existing 30 m.p.h. speed limit.

A speed limit of 45 km/h which converts to 27.9 mph would be  
below the present statutory 30 mph and unlikely to gain  
widespread support. It is considered that showing the maximum  
speed rates in multiples of 10 km/h not only provides for  
uniformity throughout Canada, but will also simplify the driving  
task and the educational program. To adopt Council's proposal  
would mean that Ontario would be out of step with the other  
provinces.

I wish to comment on the request to make the use of km/h  
speedometer markings mandatory on all 1978 model of cars and  
trucks. At present there is no requirement in the Highway  
Traffic Act for a car or truck to have a speedometer, and no  
change is anticipated at this time since the Federal Government  
considers this matter to be their responsibility.

There is a section in the Federal Transportation Act which  
requires vehicles to be equipped with a speedometer in good  
working order, and perhaps their Act should be amended to  
include your proposal. I understand that all 1977 automobiles

UB-2 (e)

have dual mph - km/h speedometer readings, and that all 1978 automobiles will also have metric odometer readings. Chrysler Corporation has introduced metric odometer readings in all of their 1977 model cars.

I trust this information will be of assistance to you.  
c99wrks77100:60

Your Committee recommends that City Council endorse the following Resolution:

Whereas the Ontario Government is proposing to increase the general urban speed limit from 30 mph to 50 km/h on September 1, 1977;

And whereas such an increase in this important speed limit is likely to cause an increase in traffic speeds, traffic accidents and energy use;

And whereas it is in the general interest to reduce traffic speeds, traffic accidents, and energy use;

And whereas the general urban speed limit will be more difficult to enforce if it is raised rather than lowered;

And whereas City Council wishes to adopt the policy established by the Provincial Government in lowering the maximum speed limit on its highways;

Therefore, be it resolved that City Council request the Minister of Transportation and Communications to give further consideration to Council's recommendation that the general urban speed limit be reduced from 30 m.p.h. to 45 km/h notwithstanding the comments contained in the Minister's letter dated May 10, 1977.

Your Committee also recommends that the Municipal Liaison Committee and the Municipalities in Ontario having a population in excess of 100,000 be advised of the foregoing.

To the Clerks of Counties, Regions  
and Local Municipalities in Ontario

Re: Resolution Respecting Uniform Minimum Metric Speed Limit

Regional Council at its meeting held on June 22nd, 1977,  
endorsed a resolution requesting the Provincial Government  
to amend the relevant sections of the Highway Traffic Act  
and the Regional Municipality of Ottawa-Carleton Act to provide  
for a uniform minimum speed limit of 45 kph within urban areas  
following the adoption of metric signing in September 1977,  
and that this speed limit be in effect without the erection  
of signs.

Would you kindly place this resolution before your Council  
for endorsement.

It would be appreciated if you would inform the Municipal  
Liaison Committee and the undersigned of your Council's  
disposition of this resolution.

TRANSPORTATION COMMITTEE REPORT 24/77

The Executive Committee has considered the attached Transportation Committee Report 24/77 on:

1 Proposed Uniform Minimum Metric Speed Limit  
(Urban Areas)

The Transportation Committee has recommended approval of the following recommendations (at page 6 of the attached Transportation Committee Report 24/77) on the legislative amendments required for the establishment of a uniform minimum speed limit in urban areas to coincide with metric conversion:

- a) The Provincial Government be requested to amend the relevant sections of the Highway Traffic Act and the Regional Municipality of Ottawa-Carleton Act to provide for a uniform minimum speed limit of 45 kph within urban areas following the adoption of metric signing in September 1977, and that this speed limit be in effect without the erection of signs
- b) This aforementioned resolution be circulated, for support, to all Ontario Municipalities, Regional Municipalities, and the Municipal Liaison Committee.

The Executive Committee, on the advice of the Transportation Committee, RECOMMENDS that Council approve.

TC24/77

UB-2(f)

1 PROPOSED UNIFORM MINIMUM METRIC  
SPEED LIMIT (URBAN AREAS)

The Transportation Committee has considered a report dated 26 May 1977 from the Transportation Department on the legislative amendments required for the establishment of a uniform minimum speed limit in urban areas to coincide with metric conversion.

The Transportation Department report is:

Quote

Purpose

The purpose of this report is to effect the necessary amendments to the Highway Traffic Act and Regional Municipality of Ottawa-Carleton Act, at the time of metric conversion, to establish a uniform minimum speed limit in urban areas. This is necessary to eliminate the over proliferation of signing, with attendant erection and maintenance costs, within the urban areas of the Regional Municipality.

Introduction

Since the recommendations of the following report affect streets under the jurisdiction of both the Regional Municipality of Ottawa-Carleton (R.M.O.C.) and the City of Ottawa, this report is being submitted jointly to the Transportation Committee and the Physical Environment Committee.

Currently, all speed zone signing within the R.M.O.C. is erected in accordance with the provisions of the Highway Traffic Act (H.T.A.). Some of the regulations affecting the posting of minimum vehicular speed limits within urban areas follow:

- 82 (1) No person shall drive a motor vehicle at a greater rate of speed than,
  - (a) 50 miles per hour,
    - (i) on a highway not within a city, town, village, police village or built-up area, or
    - (ii) on a highway designated by the Lieutenant Governor in Council as a controlled - access highway under The Public Transportation and Highway Improvement Act, whether or not such highway is within a city, town, village, police village or built-up area;
  - (b) subject to clause a, 30 miles per hour on a highway within a city, town, village, police village or built-up area;
- 82 (2) The council of a city, town or village and the trustees of a police village may by by-law prescribe a speed limit of 25 miles per hour for motor vehicles driven on any highway or

UB-2(g)

- 3 -

TC24/77

(Quote continued)

portion of a highway under its jurisdiction, and the council of a township or county may by by-law prescribe a speed limit of 25 miles per hour for motor vehicles driven on highways under its jurisdiction in any built-up area within the municipality.

- 82 (4) The council of a city, town, village or township and the trustees of a police village may by by-law prescribe a lower rate of speed for motor vehicles driven in any public park or exhibition ground than is prescribed in subsection 1, but such lower rate of speed shall not be less than 15 miles per hour.
- 82 (5) The council of a city, town or village and the trustees of a police village may by by-law prescribe a higher rate of speed for motor vehicles driven on any highway or portion of a highway under its jurisdiction than is prescribed in subsection 1, but such increased rate of speed shall not be more than 60 miles per hour.
- 82 (8) No by-law passed under subsection 2, 3, 5, 6, 7, or 12 becomes effective until the highways or portions thereof affected by the by-law shall be marked to comply with the regulations. R.S.O. 1970, c.202, s.82(8); 1974, c.123, s.21 (2).

In addition, speed limits on Regional roads are regulated by Section 55(c) of the R.M.O.C. Act as follows:

- 55 (c) (1) Speed limits on Regional Roads - The Regional Council may by by-law prescribe a lower or higher rate of speed for motor vehicles driven upon any Regional road or any portion of a Regional road than is prescribed in subsection 1 of section 82 of The Highway Traffic Act, but such rate of speed shall not be less than 25 miles per hour or more than 60 miles per hour.
- (2) Approval of By-laws - No by-law passed under subsection 1 shall become effective until approved by the Ministry and the Regional roads or portions thereof affected by the by-law shall be marked, to comply with the regulations made under The Highway Traffic Act. (added, 1972, c.125, s.8)

As a result of the foregoing legislation, any speed limit within an urban area that differs from 30 miles per hour must be signed consistent with the requirements of the Highway Traffic Act. The regulation in this regard follows:

Regulation 425 -

- 3 (1) Where a maximum rate of speed other than that prescribed by subsection 1 of section 82 of the Act is prescribed for a highway in a

UB-2(R)

TC24/77

(Quote continued)

- city, town, village, police village or built-up area, speed limit signs shall be erected on the highway not more than 1,000 feet apart.
- (2) Where the maximum rate of speed for a highway in a built-up area more than 3,000 feet in length is that prescribed by subsection 1 of section 82 of the Act, speed limit signs shall be erected on the highway not more than 3,000 feet apart.
  - (3) Where the maximum rate of speed for a highway in a built-up area 3,000 feet or less in length is that prescribed by subsection 1 of section 82 of the Act, speed limit signs shall be erected on the highway not more than 1,000 feet apart. R.R.O. 1970, Reg. 425, s.3.
  - (4) The commencement of the part of a highway for which a maximum rate of speed is prescribed shall be indicated by a speed limit sign accompanied immediately below by a sign bearing the word "begins" in white retro-reflective letters not less than five inches in height on a black background. R.R.O. 1970, Reg. 425, s.4.
  - (5) A speed limit sign shall be erected on the right side of the highway, facing approaching traffic, not more than fifteen feet from the roadway, and the bottom edge of the sign shall be not less than six feet or more than eight feet above the level of the roadway. R.R.O. 1970, Reg. 425, s.5.

Finally, it should be noted that, as of September 1977, all traffic and parking signs within the R.M.O.C. must be revised to reflect the changeover to metric measurement. It is anticipated that in conjunction with this changeover, the Highway Traffic Act and the Regional Act will be amended by the Province of Ontario to provide for a 50 Kilometers per hour (kph) limit in place of the existing 30 mph limit and a 40 kph limit in place of the existing 25 mph limit.

#### Discussion

Requests have been received on a number of occasions to consider the designation of a maximum speed limit of 25 mph in place of the current limit of 30 mph as provided for in the R.T.A. This matter has been previously considered by Ottawa City Council on 20 November 1972 and 18 February 1974. More recently, the City of Ottawa Board of Control, at its meeting of 3 August 1976, passed a motion that a maximum speed limit of 25 mph be adopted on all residential streets and collectors in residential areas under the jurisdiction of the City of Ottawa.

Regional Council, at its meeting of 28 January 1976, approved that a minimum speed limit of 30 mph be designated on any Regional road.

The following brief discussion details the reasons for which a reduction in the minimum posted speed limit has been opposed by this Department in the past:

UB-2(i)

- 5 -

TC24/77

(Quote continued)

- a. Studies undertaken independantly on two occasions within the City of Ottawa and Nepean Township, indicate that there is no significant difference in observed vehicular speeds when the posted speed limit is 25 mph as compared to 30 mph. This is illustrated by the following table which details the results of studies undertaken on streets with like operating conditions.

Study	85 Percentile			Average		
	25 mph	30 mph	Dif.	25 mph	30 mph	Dif.
I	35.15	35.94	0.79	30.11	31.56	1.45
II	34.77	35.13	0.36	30.03	30.56	0.53

Other Ontario municipalities have substantiated these findings.

- b. The designation of a 25 mph speed limit would necessitate the posting of numerous speed signs leading to problems of over proliferation of these signs and possibly to reduced driver observance of these and other traffic control signs.
- c. The cost of erecting these additional signs on all streets under the jurisdiction of the City of Ottawa is estimated to be approximately \$190,000.00. Additional costs would be incurred on any Regional roads designated for 25 mph. Further, in order to undertake a task of this magnitude about 2 to 3 months of lead time would be required to obtain the necessary materials. Finally, the erection of these signs would require supplementary vehicles and manpower, estimated at 4 vehicles and 9 men for a 5 month period. The annual maintenance costs of this signing would be approximately \$32,000.00.

This same situation would exist after conversion to metric units unless only one uniform minimum metric speed limit is established in urban areas.

It should be noted that a reduction of the speed limit below 30 mph provided for in the H.T.A. within an urban area could be effected in two ways. Firstly, the speed limit can now be provided for in the appropriate sections of the City of Ottawa or R.M.O.C. Traffic and Parking By-law. In this case appropriate speed signing would have to be provided on all streets within the urban area with the attendant disadvantages noted above. The second alternative is to request that the Province of Ontario amend the H.T.A. and the Regional Act to provide for a single minimum speed limit within urban areas which would be in effect without signing. In this case, no further signing would be required, and in fact, any signs currently indicating a 25 mph speed limit could be removed.

In view of the foregoing, it is considered essential that one minimum uniform speed limit, to be applied throughout the urban areas, be determined and that the H.T.A. and the Regional Act be amended to provide for this limit. Further, it is essential that such action be taken at the time of adoption of metric speed limits to both minimize costs due to sign changeover and to take advantage of the introductory period which will be necessary with the new metric signing.

UB-2(j)

TC24/77

(Quote continued)

The following chart depicts current common vehicular speed limits and their metric equivalents and vice versa:

<u>MPH</u>	<u>KPH</u>	<u>KPH</u>	<u>MPH</u>
50	80.47	50	31.07
40	64.37	45	27.96
35	56.33	40	24.85
30	48.28	35	21.73
25	40.23	30	18.64

Evaluation indicates that the most appropriate new uniform metric minimum speed limit in urban areas would be 45 kph. This speed limit would represent a compromise between the existing 30 mph speed limit and the often requested speed limit of 25 mph. This proposed speed limit is likely to be considered reasonable by drivers and as previously indicated, field observations have indicated no difference in vehicular speeds in 25 mph and 30 mph zones. Studies also indicate that unreasonably low, or high, speed limits are not heeded by drivers who tend to operate their vehicles at a speed which they feel safe and reasonable, considering all roadway conditions and conflicts.

In summary it is proposed that a resolution be prepared by both the City of Ottawa and the R.M.O.C. Councils for submission to the Provincial Government requesting that the relevant sections of the H.T.A. and Regional Act be amended to provide for a uniform minimum speed limit of 45 kph within urban areas following the adoption of metric signing in September 1977, and that this speed limit be in effect without the erection of signs. It is also proposed to seek support from other Ontario municipalities for this resolution.

#### Recommendations

It is recommended that:

- a. The Provincial Government be requested to amend the relevant sections of the Highway Traffic Act and the Regional Municipality of Ottawa-Carleton Act to provide for a uniform minimum speed limit of 45 kph within urban areas following the adoption of metric signing in September 1977, and that this speed limit be in effect without the erection of signs.
- b. This aforementioned resolution be circulated, for support, to all Ontario Municipalities, Regional Municipalities, and the Municipal Liaison Committee.

#### Unquote

The Transportation Committee, on the advice of the Transportation Department, RECOMMENDS that the above recommendations be approved.

CITY OF MISSISSAUGA

MINUTES

MEETING NUMBER TWENTY FIVE

NAME OF COMMITTEE: GENERAL COMMITTEE OF COUNCIL  
DATE OF MEETING: June 29, 1977, 9:00 a.m.  
PLACE OF MEETING: Council Chambers  
MEMBERS PRESENT: Councillor Taylor, Chairman;  
Mayor Searle; Councillors Bean,  
Hooper, Butt, and Leavers.  
Councillor Spence arrived at 10:05  
a.m.  
MEMBERS ABSENT: Councillors McCallion, Kennedy and  
McKechnie.  
STAFF PRESENT: E. Halliday, B. Clark, W. Taylor,  
R. Edmunds, M. McLean, T. Julian  
and J. Lefevre.

The Committee met in Camera from 9:00 a.m. until 9:45 a.m.  
The City Solicitor reported on the following matters in Camera:

- (a) Status of Negotiations with Markborough, McLaughlin and  
Cadillac Fairview. Direction given to Mr. Clark.
- (b) Idlewyld Developments - 14 acres in Lakeshore Community.  
Direction given to Mr. Clark.
- (c) Phi International Subdivision, Plan M-34 & Norman Frey  
Property. Resolution passed at special Council meeting  
held on June 29, 1977.
- (d) Resolution re Development Policy. Resolution passed at  
special Council meeting held on June 29, 1977.

The Transit Manager reported on the Transit Union negotiations.  
No recommendation results from this report.

The Committee moved Out of Camera at 9:45 a.m.

DELEGATIONS - 9:45 A.M.

SEE ITEM #2

MATTERS FOR CONSIDERATION:

1. Council, on August 18, 1976, approved the following recommendation:

"That the request by Mr. E. D. Cathcart, for assistance towards the cost of renovating the Cathcart Property, 60 Godfrey Lane, over and above the agreed upon amount of \$20,000.00, be referred back to Staff and that an engineering and structural report be prepared by the Staff at the earliest possible moment."

Attached to the agenda was a report dated May 31, 1977, from the Commissioner of Recreation and Parks which was prepared as a result of the above recommendation. Material referred to in Mr. Halliday's report, was also attached, including a report dated October 22, 1976, from Mr. M. Navabi, Structural Engineer, Building Department. Mr. Navabi concluded that there was no structural need for any repair work to be carried out. Mr. Halliday recommended that the City advise Mr. Cathcart that it is his responsibility as per the agreement to bear the additional expense since it was he who authorized it. Also attached to the agenda was a copy of a letter dated June 20, 1977, and memorandum referred to therein, from Mr. P. Spencer, solicitor for Mr. Cathcart. Mr. Spencer, Mr. Cathcart and Mr. F. Nicol, consultant retained by Mr. Cathcart, appeared before the Committee regarding this matter. Mr. Cathcart briefly went over the history of this item. He advised the Committee that of the total funds expended for the renovations, approximately \$12,000.00 was attributable to structural repairs. He requested that Mr. Cathcart be reimbursed for this amount, over and above the \$20,000.00. Mr. Nicol also addressed the Committee. Councillor Leavers recommended that Mr. Cathcart's request for additional funds, be refused. This motion carried.

June 29, 1977

2. Letter dated June 10, 1977, from Mr. S. F. Angotti, of Ander Engineering & Associates Limited, representing V.M.A. Construction Limited proposed plan of subdivision, T-23086 located on Lorne Park Road and Albertson Crescent. Mr. Angotti appeared before the Committee regarding this matter. He advised the Committee that Condition #8 of the Minister states that Block C shall be deeded to the municipality. In this regard, the top-of-bank or the 300 foot countour line, whichever is higher, shall form the northerly boundary of Block C. Mr. Angotti stated that it is their proposal to have the natural top-of-bank reconstructed in accordance with an approved composite lot grading plan whereby the constructed top-of-bank will coincide with the existing 300 foot contour. He requested Council's approval of this revision. The proposal was submitted to the Engineering and Planning Departments and to the Credit Valley Conservation Authority. No objections were received. Councillor Butt recommended that Mr. Angotti's request be approved; however, he subsequently withdrew this motion. Councillor Spence in whose ward the proposed plan is located, stated she was in general agreement with the request but she suggested that conditions be placed on the approval in order to protect the ravine. The Commissioner of Engineering, Works and Building stated that these conditions were set out in the Consolidated Report. Councillor Spence recommended approval of the request. This motion carried.

File: T-23086

See Recommendation #868 (M. H. Spence)

A motion for recess was made at 10:40 a.m. A special Council meeting was held. The General Committee meeting reconvened dat 12:35 p.m.

3. At the General Committee meeting on June 8, 1977, the Committee considered a report dated June 3, 1977, from the City Manager with reference to the replacement of the Fire Chief and Deputy Fire Chief. Mr. Markson pointed out that Chief Miller will be retiring on May 31, 1979 and the Deputy Chief is due to retire October 31, 1980. Mr. Markson suggested a strategy plan for the replacement of these two individuals. He recommended that the strategy of selecting at least three potential successors for the Chief and Deputy

Continued.....

June 29, 1977

Chief positions, as outlined in his report, be approved with a view to recommendations from the City Manager, Fire Chief and Deputy for candidates to be selected in January 1979. On June 8, the Committee recommended that the matter be deferred to a meeting at which Chief Miller could be present. Chief Miller was present for the discussion of this item. He stated that he had no objection to Mr. Markson's recommendation. Councillor Butt stated that in his opinion, the 1978 Council should make the decision on these positions and he recommended approval of the recommendation. Mr. Halliday, Acting City Manager, advised the Committee that in his opinion, City policy should be adhered to in the selection of Fire Chief and Deputy Chief, i.e., advertise the positions throughout the office. Mayor Searle suggested that the matter be deferred and that the Acting City Manager prepare a report for consideration by the General Committee. Councillor Butt's motion was not voted on. The recommendation of deferral was voted on and carried.

File: 40-77      See Recommendation #869 (R. Searle)

4. Report dated June 16, 1977, from the City Manager with reference to City Property Acquisitions (including easements and leaseholds) and Negotiations. Mr. Markson recommended that the procedures set out in his report, be adopted.

Approved      See Recommendation #870 (F. Leavers)

5. Report dated June 15, 1977, from the City Manager with reference to Golden Orchard Drive. This report was prepared as a result of the General Committee recommendation of May 4, 1977, which required that developers fronting on Golden Orchard Drive would pay equal shares of costs relating to the construction of the road and all relevant services. A copy of a letter from the Region of Peel dated June 6, 1977, pertaining to this subject, was also attached. Mr. Markson recommended that the correspondence from the Region, be received.

File: T-23801

7. Report dated June 15, 1977, from the City Solicitor with reference to Scenic Routes in the City of Mississauga. General Committee on June 1, 1977, considered a report from the Commissioner of Recreation and Parks dated May 24, 1977, which report was prepared as a result of a recommendation made by the Environmental Advisory Board in 1976. The Board discussed the subject at some length and concern was expressed about the quality of some utility work done on Mississauga Road. That particular concern was resolved through closer liaison between the Parks Department and the utility involved. Mr. Halliday, therefore, recommended that the City endorse the continuation of the C.V.C.A. promotional programme on scenic routes through the City. On June 1, 1977, the Committee deferred this matter and requested the City Solicitor to report. Mr. Clark concluded that it is the Legal Department's opinion that the powers given to a municipality under The Municipal Act, when read in conjunction with The Public Utilities Act, are not sufficient to enable the City to require a utility to remove its existing pole plants or reroute their plants elsewhere to assist the Credit Valley Conservation Authority to carry out its project. Councillor Leavers recommended adoption of Mr. Halliday's report of May 24. This motion carried.

File: 7-77  
54-77

June 29, 1977

8. Report dated June 16, 1977, from the City Solicitor with reference to an Encroachment Agreement, Erin Mills Neighbourhood 107A. A house which was constructed on part of Lot 254, Plan M-119 encroaches on a sewer easement of the City by approximately 0.8 feet. The Engineering and Building Departments have confirmed that the dwelling was not constructed according to the approved site plan and the easterly wall of the building has been altered. The small amount of the encroachment will not hamper the City's use of the easement. Mr. Clark recommended that the Encroachment Agreement dated April 6, 1977, between the City and Rivercove Developments Limited, be executed by the Mayor and the Clerk.

16. Report dated June 8, 1977, from the Commissioner of Engineering, Works and Building with reference to traffic conditions in Premium Way/Stavebank Road area. Councillor Hooper requested that this matter be investigated. Mr. Taylor recommended:

- (a) That the Region of Peel be advised of the desire of the City of Mississauga that the extension of The Queensway from Cawthra Road to Hurontario Street, and the widening to four lanes of The Queensway from Confederation Parkway to Mavis Road, be completed concurrently.
- (b) That the Peel Regional Police be requested to institute radar surveillance on Premium Way and Stavebank Road.
- (c) That the Engineering Department be requested to continue to monitor traffic conditions on Premium Way, Stavebank Road, Mavis Road and The Queensway.

Continued.....

June 29, 1977

Councillor Hooper requested that the following be added to the recommendation:

(d) That 3-way stops be installed at:

Stavebank Road at Isabella Avenue;  
Premium Way at Dickson Road;  
Premium Way at Lynchmere Avenue;

and that monitoring of the intersection of Lynchmere Avenue and Premium Way, be ongoing to ensure that a hazardous condition is not created during the winter months.

The recommendation, as amended, was voted on and carried.

Report dated June 15, 1977, from the Commissioner of Engineering, Works and Building, and the Commissioner of Planning with reference to proposed plan of subdivision T-22274, Liverton Investments Limited, located on the east side of Hurontario Street, north of Burnhamthorpe Road (across from City Hall). Messrs. Taylor and Edmunds recommended:

- (a) That the City engage a Traffic Consultant immediately to prepare a report on the following:
- (i) the M.T.C.'s proposals for Highway 403 and Highway 10, including the Robert Speck Blvd. intersection.
  - (ii) the proposal to grade separate Robert Speck Blvd. and Highway 10. If this proposal is felt to have merit, then a functional design plan should be prepared for same to determine property requirements.
  - (iii) if another solution to the problem is ascertained, then a functional design be prepared for same.

35. Report dated June 14, 1977, from the Commissioner of Recreation and Parks with reference to Land Acquisition, Williams Property. This report was prepared as a result of Resolution 859 passed by Council on November 12, 1974. Resolution 859 reads as follows:

"Whereas the Williams Property has been finally acquired by the City;  
Be It Resolved that the Property Department and the Recreation and Parks Department present their recommendations to Council re development of the property and that our staff liaise with the Peel Board of Education."

Mr. Halliday pointed out that staff resources were limited and funding was not available to retain consultants for master planning purposes; therefore, the Recreation Department approached the Ryerson Polytechnical Institute with respect to having final year students undertake the master planning of the lands as their thesis project. Three students undertook the project in accordance with City and Board of Education requirements. The plan was presented to the Recreation Committee on May 16, 1977. The plan resolves shared uses with the proposed adjacent school site; recommends preservation and natural improvements to the Cooksville Creek and Valley which are part of the park, and recommended special development of the lands exposed to Dundas Street. The Recreation Committee received the report. Mr. Halliday recommended that the report and master plan be used as a guideline for future development of Richard Jones Park.

July 6, 1977

- (a) Double levy which the Engineering Department has imposed in connection with arterial roads as a condition of approval. United Lands is being charged with half the cost of the planned improvements to South Sheridan Way and in addition, is being required to pay the \$2,300.00 per acre arterial road levy.

Mr. Finch pointed out that United Lands has built and paid for Bromsgrove Road, Truscott Drive and Thornlodge Drive in its overall development.

- (b) Parkland dedication. Mr. Finch pointed out that United Lands has provided sufficient parkland for this area, including the three acres of land on which the community centre is built.

The Commissioner of Engineering, Works and Building advised the Committee that South Sheridan Way is not considered to be a major arterial road; therefore, United Lands should still be required to pay the \$2,300.00 per acre levy.

Mayor Searle recommended that this matter be referred to Staff for a report to be considered by the General Committee on August 3, 1977. This motion carried.

File: 66-77      See Recommendation #933 (R. Searle)

2. Council, on May 24, 1977, passed the following resolution:

"That the Commissioner of Planning is hereby delegated the authority to approve the site plan for the sixth and final building of the San Tropez project located on the north side of Dundas Street, west of Constitution Boulevard, as requested by Mr. Gary Smith, solicitor."

The Committee was advised that during the processing of the site plan, the developer was requested to provide parking spaces in accordance with the City's present requirements, 1.75 spaces per unit. Mr. Ray Smith of Victoria Woods, appeared before the Committee and pointed out that the five villages which have already been constructed, provide for an average of 1.48 spaces per unit while the requirement at the time of construction was 1.25 spaces per unit. He requested permission to proceed with the sixth village on the basis of 1.44 spaces per unit in line with the other five.

Continued.....

ITEM 2 CONTINUED:

-3-

July 6, 1977

Mr. J. Calvert of the Planning Department, addressed the Committee and stated that the Planning Department was willing to approve a reduced parking standard of 1.53 spaces per unit, plus .25 for visitor parking, for a total of 1.78 per unit. The Committee was further advised that in order to meet this requirement, the developer would have to eliminate approximately 10 to 12 units from the project. Councillor Bean stated that in his opinion, the City was obligated to allow the sixth building to proceed on the basis of the earlier requirement. After considerable discussion, Councillor Bean recommended that the sixth village of the San Tropez project be allowed to proceed on the basis of 1.44 parking spaces per unit. This motion carried. The Legal Department was also directed to advise Council as to how this decision may affect the City's position at the Ontario Municipal Board when the Board considers the City's parking requirements at a hearing to be held in October.

NOTE: Councillor Butt declared a conflict of interest and refrained from the discussion and voting on this item.

July 6, 1977

4. Report dated June 24, 1977, from the Property Agent with reference to Dundas Street East Reconstruction and Royal Bank Property, 1437 Dundas Street East. Mr. Wilkinson recommended that the Offer to Sell from the Royal Bank of Canada covering part of Lot 5, Conc. 1, N.D.S. for road purposes (Dundas Street Widening) be accepted and executed by the City.

File: PN 75-077

Approved

See Recommendation #936 (H. Kennedy)

5. Report dated June 16, 1977, from the Commissioner of Engineering, Works and Building, with reference to proposed plan of subdivision T-24815, Nudale Developments and the major roads improvement levy. In a letter dated June 14, 1977, Nudale Developments requested that the City apply its present Development Policy and require the payment of \$151,110.00 (\$2,300.00 per acre for major road improvements) rather than the \$470,000.00 required by the Consolidated Report (50% of the cost of Second Line abutting the plan). Mr. Taylor recommended:

- (a) That the Nudale Developments Limited payment towards the reconstruction of Second Line East not be in excess of the \$2,300.00 per gross acre levy.
- (b) That the funds necessary to make up the difference in cost of the Capital Works Project, be obtained from the Development Levy Fund.

Councillor Leavers requested that a report be prepared setting out any other proposed plans which might be in the same situation.

File: T-24815

Approved

See Recommendation #937 (F. Leavers)

July 6, 1977

6. Report dated June 28, 1977, from the Commissioner of Engineering, Works and Building with reference to Kings Cove Subdivision T-24361 located between Isabella Avenue and Queensway, west of Gordon Drive. Mr. Taylor recommended that upon approval by the Legal Department of the Engineering Agreement and the transfers of land and easements, and upon fulfillment of the outstanding items listed in the memorandum dated June 28, 1977, to the Mayor and the Clerk, be authorized to execute the Engineering Agreements and the transfers of land and easements.

7. Report dated June 24, 1977, from the Commissioner of Engineering, Works and Building with reference to the reallocation of funds committed from the Major Arterial Road Fund for the reconstruction of Eglinton Avenue from Tomken Road to the Etobicoke Creek. Mr. Taylor recommended that Council reallocate the \$786,000.00 which represents the difference between the original allocation of \$1,686,000.00 and the revised estimate of \$900,000.00 to the Unallocated portion of the Major Arterial Road Fund. Mr. Taylor advised the Committee that when this project was budgeted, it was anticipated that no subsidy would be received from the Ministry of Transportation and Communications; however, subsidy was obtained which results in the difference set out above.

9. Report dated June 22, 1977, from the Commissioner of Engineering, Works and Building with reference to construction of Burnhamthorpe Road between the Credit Woodlands and Mississauga Road, including new structures over the Credit River and the Mullett Creek. Mr. Taylor advised that the M.T.C. has indicated that it will subsidize the proposed construction of the Burnhamthorpe Road Bridge, providing that the bridge is completed as soon as possible, preferably in 1979. He further advised that funding for this project can be made available through the reallocation of the reserve funds set aside from Eglinton Avenue. Mr. Taylor recommended:

- (a) That McCormick, Rankin and Associates, who performed the Functional Study, be engaged as Consulting Engineers to prepare detailed drawings and tender documents for the construction of Burnhamthorpe Road, from Erindale Station Road through to Mississauga Road, including crossings at the Credit River and the Mullett Creek.
- (b) That funds in the amount of \$300,000.00 be provided from the unallocated portion of the Major Arterial Road Fund due to a reallocation of funds from the reconstruction of Eglinton Avenue East.

Continued....

July 6, 1977

- (c) That Council approve the addition of the Burnhamthorpe Road Bridge and associated roadwork in the 1978 Capital Budget.
- (d) That negotiations be commenced with the Ministry of Transportation and Communications; Cadillac Fairview Corporation, and the City of Mississauga, in order that the amount of the City's participation and the financing of this project, can be established and approved by Council prior to the 1978 Capital Budget preparation.

See Recommendation #944 (T. Butt)

NOTE: Councillor Taylor voted in the negative regarding recommendation #944.

13. Report dated June 23, 1977, from the Commissioner of Engineering, Works and Building with reference to Conversion of Speed Signs from Imperial to Metric Units. This report was prepared as a result of recommendations adopted by Metropolitan Toronto requesting that the Provincial conversion of all 30 m.p.h. speed signs to metric by 45 K.P.H. rather than to the 50 K.P.H. as proposed by M.T.C. The material from Toronto was attached. Also attached was a letter dated June 23, 1977, and attached material from the Regional Municipality of Ottawa-Carlton which also recommended a uniform minimum speed limit of 45 K.P.H. rather than 50 K.P.H. Mr. Taylor recommended that no action be taken on the City of Toronto's proposal to alter the present 30 m.p.h. imperial speed limit from the national policy of 50 K.P.H. to 45 K.P.H. and the Clerk of the City of Toronto be so informed. Councillor Leavers urged the Committee to endorse the resolutions from Toronto and Ottawa-Carlton. A brief discussion followed this motion. It was finally voted on and lost. Councillor Butt then moved that Mr. Taylor's recommendation set out in his report, be approved. This motion also lost. It was then decided to refer this item to Council without recommendation.

July 6, 1977

14. Report dated June 27, 1977, from the Commissioner of Engineering, Works and Building with reference to a proposed fence by-law. The proposed by-law was also attached. Mr. Taylor recommended that the draft by-law and the draft repealing by-law, be forwarded to Council for enactment. Councillor Leavers suggested that the by-law contain a "right of appeal" clause. The Committee was advised by Ms. McLean of the Legal Department, that she could see no reason why such a clause could not be included. Other members of the Committee also expressed various concerns with respect to the by-law. Councillor McCallion suggested that the same procedure be used with the fence by-law as was used with the Animal Control By-law, that is, once the by-law has received two readings, invite comments from the public before a third and final reading is given to the by-law. The Commissioner of Engineering, Works and Building suggested that the by-law be referred back to Staff for further consideration and that possibly, three or four members of Council could be appointed to a committee to review the by-law. Councillor Leavers recommended deferral of the by-law. This motion carried. Councillor Butt recommended that Councillors Bean, Taylor and Leavers be appointed as a special committee to review the proposed fence by-law. This motion also carried.

July 6, 1977

16. Letter dated June 21, 1977, from the Ontario Humane Society advising that just as soon as the Society can develop the veterinary services department in Mississauga to the necessary size, that the Society at that time, will certainly consider introducing the neutering of dogs before they are offered for sale. This letter was in response to the following recommendation approved by Council on June 13, 1977:

"That the Ontario Humane Society be requested to consider spaying-neutering dogs before they are put for sale in the same manner as presently done with cats."

File: 104-77

Received

See Recommendation #947 (F. Bean)

17. Letter dated June 9, 1977, from TEK Plastic Signs Limited with reference to the erection of signs at Westpoint Ford - new location, south-west corner of Eglinton Avenue and Burgoyne Street. This letter was on the Council agenda of June 27, 1977, at which time Mr. Owen Mullin appeared representing Westpoint Ford. Mr. Mullin requested Council's approval for the erection of six signs on the subject property. The signs are existing signs at Westpoint Ford's current location on Dundas Street. Mr. Mullin was advised by the Planning Department that these existing signs were not in conformity with the City's proposed sign by-law and, therefore, could not be approved. Council, on June 27, referred Mr. Mullin's request to the Planning Department for report to General Committee. A report dated July 4, 1977, from the Commissioner of Planning regarding this matter, was distributed to the members of the Committee. The report concluded that in view of the size and elevation of the subject property and the existing adjacent sign structure, the proposed fascia sign and ground signs, are acceptable from a planning standpoint, however, a maximum height of 12 feet for ground signs should be maintained. Mr. Mullin was present for the discussion of this item. He informed the Committee that his client was in agreement with the staff recommendation, with the exception of the Ford Corporate sign. He requested that this sign be allowed to exceed the 12 foot height limitation for a period of three years only. Councillor Taylor recommended that the Staff recommendation be approved. This motion lost. Councillor McCallion recommended approval of the Staff report, with the exception of the Ford Corporate sign

July 6, 1977

which will be exempted from the 12 foot height limitation. She further recommended that Westpoint Ford enter into an agreement with the City wherein they would agree to conform to the sign by-law which will exist three years from now. This recommendation was voted on and carried.

File: 4-77      See Recommendation #948 (H. McCallion)

18. Notice of Application to the Ontario Municipal Board by the Corporation of the Town of Oakville for approval of its Restricted Area By-law 1977-39 passed on April 4, 1977. The purpose of the by-law is to prohibit unsightly storage in all M2 Medium Industrial Zones. Last date for objecting to the by-law was July 6, 1977. A report dated June 29, 1977, from the Planning Department, was distributed to the members of the Committee. Mr. Adamson recommended that the City not object to the by-law. Councillor Butt moved that no objection be lodged to Town of Oakville Restricted Area By-law 1977-39. This motion carried.

File: 116-77      See Recommendation #949 (T. Butt)

19. Report 10-77 of the Planning Committee meeting held on June 21, 1977. This report was approved as presented.

- (b) That funding in the amount of \$25,000.00 be drawn from the reserve account set aside for this purpose.

File: 10-77

Approved

See Recommendation #950 (T. Butt)

The following additional item, not listed on the agenda, was considered by the Committee.

21. Report dated June 28, 1977, from the Acting City Manager with reference to a letter from the Firefighters Association considered by the General Committee on May 25, 1977. Mr. Halliday recommended that the report requested from the City Manager on the concerns expressed in the letter of May 16, 1977, from Local 1212, Firefighters Association, be deferred and referred to the New City Manager when appointed.

File: 40-77

Approved

See Recommendation #951. (H. McCallion)

A motion for recess was made at 12:00 noon. The meeting reconvened at 1:00 p.m. All members were present, with the exception of Councillors Spence and McKechnie. Staff present: T. Julian, E. Halliday (1:20) and J. LeFeuvre.

The Committee moved In Camera at 1:05 p.m. Three items were discussed:

1. Purchase of Barrick Construction Property, Cooksville Creek Flood Plain. Resolution prepared for Council meeting on July 11, 1977.
2. Incident at Lewis Bradley Pool, July 5, 1977 (chlorinator). No recommendation.
3. Phase II, Job Evaluation. See recommendation #952 (T. Butt)

The Committee moved Out of Camera at 2:10 p.m.

RECOMMENDATIONS:

As Per Report No. 26-77.

ADJOURNMENT:

2:10 p.m.

July 11, 1977.

TO: THE MAYOR AND MEMBERS OF COUNCIL

Ladies and Gentlemen,

I would like to introduce to the Council of the City of Mississauga a new council of ratepayers within the City of Mississauga. This council is the Ward 4 Council and it draws its membership from the following ratepayers organizations.

Applewood Hills Homeowners Association	- Mr. Emil Jursa - delegate
Mississauga Valleys Community Association	- Mr. John Callahan - delegate
The Cherry Hill Homeowners Association	- Mr. Nick Vritsios - delegate
Meadowvale Village Community Association	- Mr. Al Howard - delegate
The Erin Mills Peoples Organization	- Mrs. Sherry Lee - delegate
Meadowvale West Homeowners Association	- Mrs. Susan Bools - delegate

As well, the Ward 4 Council has the following members:-

Mr. Douglas Paton	- Peel Board of Education - Trustee, Ward 4
Mr. John McGibbon	- Peel Board of Education - Trustee, Ward 4
Mr. David Nesbit	- Citizen Member, Parks & Recreation Committee
Mr. Don Gardiner	- Citizen Member, Taxicab Authority
Mr. Peter Carlson	- Citizen Member, Condominium Development Committee & Secty, P.C.A.
Mrs. Verna Flowers	- Citizen Member, Environmental Advisory Board
Mr. Larry Taylor	- Councillor, Ward 4

The Ward 4 Council represents over 45,000 people and is looking forward to working with the City of Mississauga in a meaningful and positive manner.

Sincerely,

*Ellen Alexander*

Ellen Alexander, (Mrs.)  
Secretary,  
Ward 4 Council.

ITEM 1

MINUTES FOR THE MEETING OF JUNE 21, 1977

Mrs. Campbell noted that she left the June 21, 1977 meeting at 7:10 p.m., and returned for discussion of the North-North Dixie Community.

RECOMMENDATION: Moved by Mr. Newbound

That the minutes for the June 21, 1977 Planning Committee meeting be adopted as amended to indicate that Mrs. Campbell was present during discussion of the North-North Dixie Community.

ITEM 2

AGENDA - ADDITIONAL ITEMS

The Committee agreed that future Planning Committee meetings as they relate to future Council meetings would be discussed under Other Business.

ITEM 3

NOTICES OF MOTION

None.

OFFICIAL PLAN AND ZONING BY-LAW APPLICATIONS

ITEM 4

OZ/40/76 S. B. McLaughlin Associates Limited and Hub Tower Suites Leaseholds Limited

Part of Lots 17 and 18, Concession 2, N.D.S.

Location: North of Burnhamthorpe Road West, west of Hurontario Street.

Size of Property: 7.56 ha (18.68 acres) with frontages of 344.4 m (1130 feet) on Burnhamthorpe Road West and 242.32 m (795 feet) on Central Parkway West, respectively.

Proposal: To amend the Zoning By-law from R4 and DC to RCL1-Special Section to permit an office building.

The Commissioner of Planning gave a verbal report on the details of this rezoning proposal affecting lands in the Square One area.

- 3 -

OFFICIAL PLAN AND ZONING BY-LAW APPLICATIONS

ITEM 4

OZ/40/76 S. B. McLaughlin Associates Limited and  
Hub Tower Suites Leaseholds Limited

RECOMMENDATION: Moved by Mr. Taylor

That the rezoning application under File OZ/40/76 S. B. McLaughlin Associates Limited and Hub Tower Suites Leaseholds Limited be approved subject to certain conditions to be described in the written report of the Planning Department; and that Council be requested to hold a public meeting on this application when the implementing zoning by-law is to be considered by Council; and further, that the City Core Committee be requested to forward its comments on the proposed rezoning to the next meeting of Council.

ITEM 5

OZ/49/76 Gulf Oil Canada Limited

Part of Lot 35, Concession 3, S.D.S.

Location: South-east corner of Royal Windsor Drive and Winston Churchill Boulevard.

Size of Property: .76 ha (1.89 acres) with frontages of 87.48 m (287 feet) and 79.86 m (262 feet) on Royal Windsor Drive and Winston Churchill Boulevard, respectively.

Proposal: To amend the Zoning By-law from M1 to AC-Special Section to permit a U-Haul Rental Centre.

RECOMMENDATION: Moved by Mr. Hooper

That the Planning Staff Report dated July 5, 1977 recommending approval of the rezoning application under File OZ/49/76 Gulf Oil Canada Limited subject to certain conditions, be adopted; and further, that Council be requested to hold a public meeting on this application when the implementing zoning by-law is to be considered by Council.

ITEM 6

Staff Appointment

The Committee was advised of the appointment of Ms. M. A. Harper, Secretary, Long Range Planning and Research Section, effective July 4, 1977.

RECOMMENDATION: Moved by Mrs. Campbell

That the information concerning the appointment of Ms. M. A. Harper, Secretary, Long Range Planning and Research Section, effective July 4, 1977, be received.

OFFICIAL PLAN AND ZONING BY-LAW APPLICATIONS

ITEM 7

OZ/18/77 Mississauga Golf and Country Club

Part of Lots 9 to 13, 20, 21, 37, 38, 44 to 49, and all of lots 14 to 19, and 32 to 36, R.P. B-20

Location: North-west corner of Mississauga Road and North Sheridan Way.

Size of Property: 3.6 ha (9.1 acres) with frontages of 349.0 m (1145 feet) on Mississauga Road and 167.0 m (550 feet) on North Sheridan Way.

Proposal: To amend the Zoning By-law from O2 to R1 to permit detached dwellings in conjunction with proposed plan of subdivision T-77017.

RECOMMENDATION: Moved by Mr. Hooper

That a public meeting be held for the rezoning application under File OZ/18/77 Mississauga Golf and Country Club.

R-1(d)

PUBLIC MEETINGS

ITEM 8

OZ/11/77 Gulf Oil Canada Limited (8:00 p.m.)

Part of Lot 9, Concession 1, S.D.S.

Location: At the south-east corner of Dundas Street West and Glengarry Road.

Size of Property: 0.36 ha (0.9 acres) with frontages of 53.3 m (175 feet) and 68.5 m (225 feet) on Dundas Street and Glengarry Road, respectively.

Proposal: To amend the Zoning By-law from AC to AC6-Special Section to permit the conversion of an existing automobile service station to a self-serve gasoline station with the retention of automobile repair service facilities.

A representative from Gulf Oil Canada Limited attended the meeting.

RECOMMENDATION: Moved by Mr. Hooper

That the Planning Staff Report dated June 7, 1977, recommending approval of the rezoning application under File OZ/11/77 Gulf Oil Canada Limited subject to certain conditions, be adopted.

MEMOS

ITEM 9

North-West Quadrant - Streetsville Community

The Committee considered the planning staff report concerning public input into the land use proposals for the North-west Quadrant of the Streetsville Community.

RECOMMENDATION: Moved by Mr. Taylor

That further consideration of the Study of the North-west Quadrant - Streetsville Community be deferred until a special committee of area residents has discussed the study proposals with the Planning Department, and that another public meeting be called after those discussions have taken place.

R-1(e)

ITEM 10

Creditview District Secondary Plan

The Commissioner of Planning gave a verbal report on the history and the current status of this plan with respect to comments received from landowners, City departments, Regional agencies, and Provincial agencies.

RECOMMENDATION: Moved by Mr. Taylor

That the preparation of an Official Plan Amendment to incorporate a Secondary Plan for the Creditview District into the Official Plan proceed in parallel with attempts to resolve the outstanding concerns expressed by various landowners and governmental agencies; and further, that if these outstanding concerns cannot be resolved the Planning Department report back to the Planning Committee with alternative solutions.

ITEM 11

Staff Resignation

The Committee was advised of the resignation of Ms. L. Kaye, Planner, Development Control Section, effective July 15, 1977.

RECOMMENDATION: Moved by Mrs. Campbell

That the information concerning the resignation of Ms. L. Kaye, Planner, Development Control Section, effective July 15, 1977, be received with regret.

COMMUNICATIONS

ITEM 12

I. Jamieson, C. R. Brereton, and M. H. Jones

The Committee considered a letter from I. Jamieson, C. R. Brereton, and M. H. Jones concerning the proposed Sheridan Mall expansion.

RECOMMENDATION: Moved by Mrs. Campbell

That the letter from I. Jamieson, C. R. Brereton, and M. H. Jones concerning the proposed Sheridan Mall expansion be received.

To The Mayor and Members of Council From William P. Taylor, P.Eng., Commissioner  
Dept. City of Mississauga Dept. Engineering, Works and Building

Request No. 184-77  
File No. 7-77

July 8, 1977

Ladies & Gentlemen :

SUBJECT : Closing of Starfield Crescent for Street Dance on August 6, 1977.

SOURCE : Letter dated July 5, 1977 from Mr. Dale Williams.

COMMENTS : The Traffic and Transportation Section has no objection to the closing of a portion of the south end of Starfield Crescent for the purpose of holding a street dance on August 6, 1977. The applicant will be required to fill out a road closure permit so the agencies involved can be properly notified.

RECOMMENDATION : That approval should be given to temporarily close a portion of the south end of Starfield Crescent for the purpose of holding a street dance on August 6, 1977, subject to the applicant completing the required road closure permit from the Engineering Department.

July 5, 1977

Mr. Clerk, Dear Sir:

On behalf of the homeowners on Starfield Crescent (Meadowvale)

Mississauga, we are applying to close off a small section

(south end) of Starfield for a street dance on August 6, 1977.

As this is a crescent the closing will only affect approximately

8 houses, and access to the other homes can be achieved by

entering from either end of the crescent.

If you require any further information, please call me at

626-3303.

Yours truly,

*Dale Williams*  
Dale Williams.

R-3

CITY OF MISSISSAUGA

FILE: T-75068

PLANNING DEPARTMENT

DATE: July 8, 1977

MEMORANDUM

TO

R. A. Searle, Mayor, and Members of the City of Mississauga Council

FROM

R. G. B. Edmunds, Commissioner of Planning

ORIGIN

Request received from Glen Cove Developments Limited that a land dedication for park purposes be accepted by the City in connection with their proposed plan of Subdivision under File T-75068.

COMMENTS

The subject lands are located at the north-west corner of Eglinton Avenue East and Second Line East, as shown on the attached map. The conditions of approval for the proposed subdivision were approved by Council on April 28, 1975, requiring, among other things, the acceptance of cash-in-lieu of land to fulfil the 5% parkland requirement pursuant to Section 33 (5)(a) of The Planning Act. In this regard, Council on February 14, 1977 passed the following resolution:

"That the sum of \$925,462.50 be accepted as the cash payment in lieu of the 5% land dedication in connection with File T-75068, Glen Cove Developments Limited, being a 198.077-acre parcel of land on Second Line East, zoned M1 and M2."

During the processing of the final plans for the proposed subdivision, the applicant has requested that the City consider accepting the dedication of land equalling the required 5% parkland requirement, either within the subject plan of subdivision or on lands to the west which the applicant also owns.

The Recreation and Parks Department have reviewed the applicant's holdings in light of the City's future recreation needs and have recommended that a parcel of land east of First Line East, as shown on the attached map, be accepted. The selection of the

FILE: T-75068

- 2 -

DATE: July 8, 1977

subject parcel would give the City the opportunity of acquiring lands adjacent to an Environmental Protection Area, as designated on the draft Official Plan.

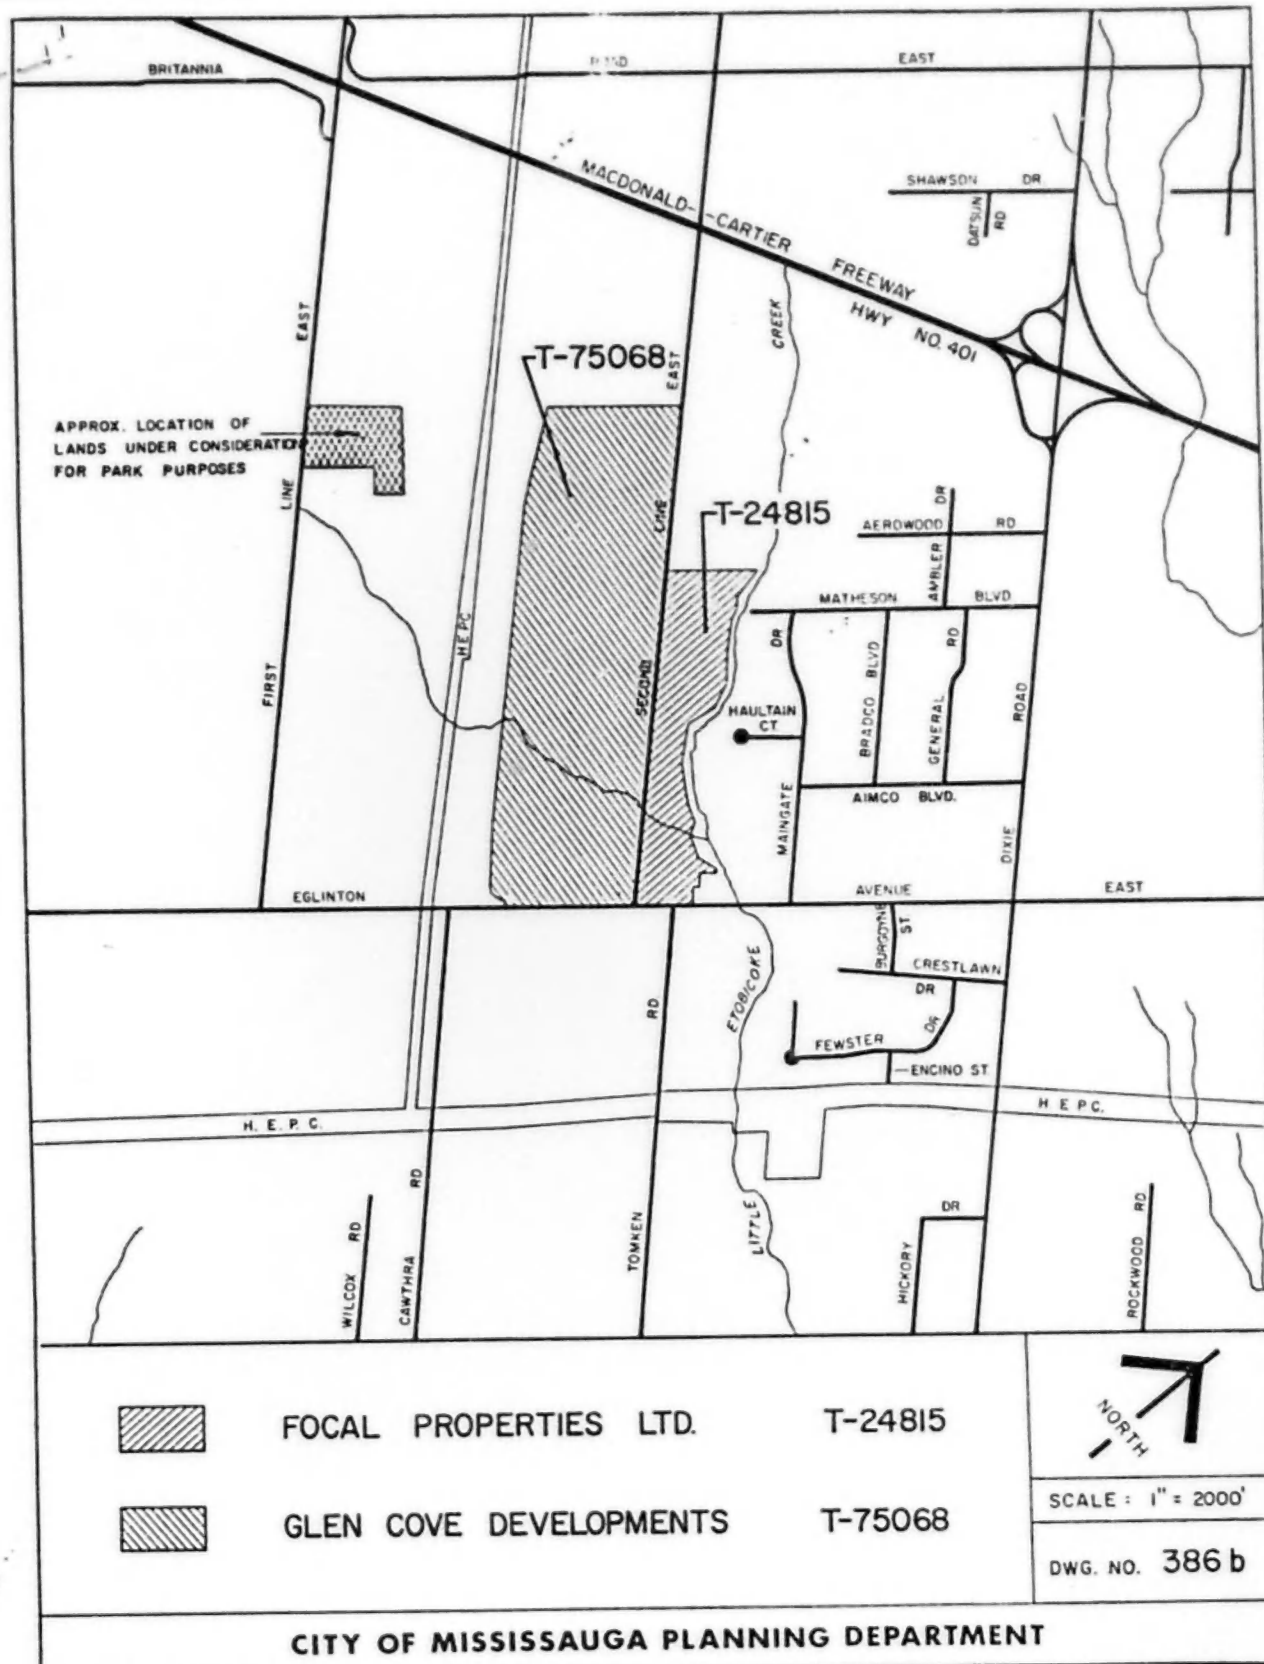

CONCLUSION

In view of the above, it is suggested that the applicant's request is acceptable from a planning standpoint and lands should be accepted for park purposes to fulfil the requirements of Section 33(5)(a) of The Planning Act. Further, the precise boundaries and area of the parkland shall be determined to the satisfaction of the City and the lands dedicated to the City prior to the registration of the proposed plan of subdivision, Glen Cove Developments Limited.

RECOMMENDATION

That the Council resolution of February 14, 1977 accepting a cash payment in lieu of the 5% land dedication for park purposes be rescinded and replaced with the following:

"That a parcel of land located east of First Line East, north of Eglinton Avenue East, be accepted for park purposes to fulfil the parkland dedication requirement for the proposed plan of subdivision under File T-75068, Glen Cove Developments Limited. Further, the precise boundaries and area of these lands shall be determined to the satisfaction of the City and the lands dedicated to the City prior to the registration of the plan."

CITY OF MISSISSAUGA

FILE: SP 166

DATE: July 8, 1977

PLANNING DEPARTMENT

TO

R. A. Searle, Mayor, and Members of the  
City of Mississauga Council

FROM

R. G. B. Edmunds and P. E. Allen, Co-Chairmen  
of the City Core Committee

SUBJECT

Rezoning Application OZ/40/76  
S.B. McLaughlin Associates and  
Hub Tower Suites Leaseholds Limited

COMMENTS

At its meeting Tuesday, July 5, 1977 the  
Mississauga Planning Committee requested that  
City Core Committee forward comments on the  
proposed rezoning to the next meeting of  
City Council.

The City Core Committee considered this re-  
quest at its meeting on July 8, 1977. Al-  
though the Core Committee considers that the  
land use proposed by Application OZ/40/76 is  
one of the possible uses for this land, it  
recommends that City Council defer approval  
of the Application until the Core Area  
Committee presents its recommendations to  
Council in approximately mid-September 1977,  
at which time Council will be able to con-  
sider the proposed rezoning in a better context.
